

## Logging into vxMaintain (Verisae) System

Managing Partners, General Managers and Management Team will log into vxMaintain with the following credentials:

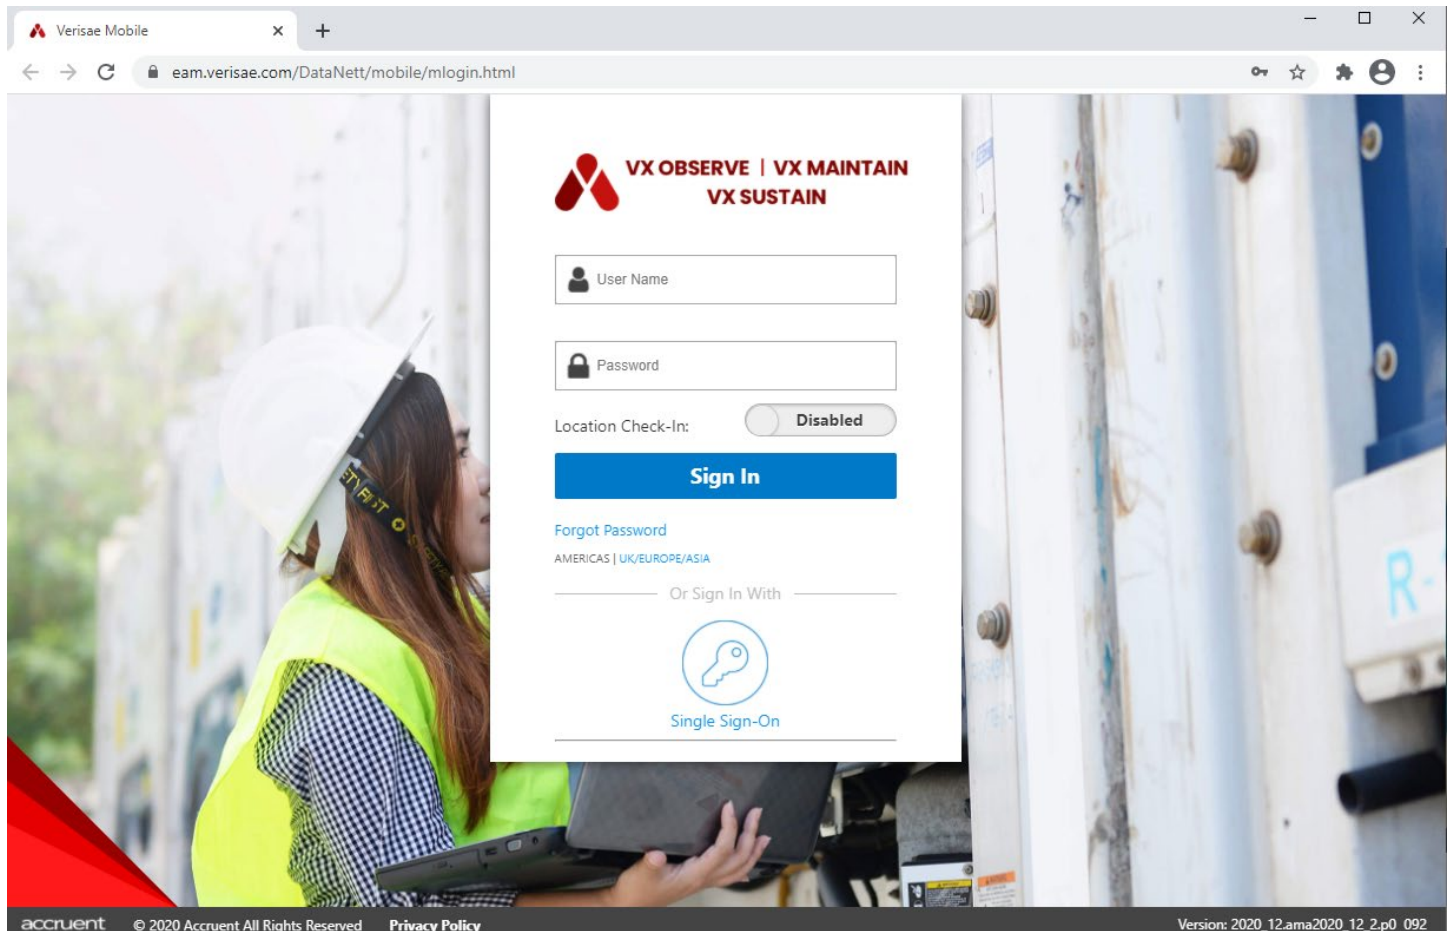

**URL Site:** For Mobile devices: <https://www.eam.verisae.com/DataNett/mobile/mlogin.html>

For Computers: <https://eam.verisae.com/DataNett/pcc/login.html>

**Username:** Store e-mail address (for restaurants) or Individual KBP e-mail address (for Management Team)

**Password:** KBPvxMaintain

Please note that username and password are case sensitive. In addition, at your first login, a License Agreement page will pull up and you need to hit "Agree". This is one time only pop-up.

The screenshot displays the login interface for the Verisae Mobile system. The page title is "Verisae Mobile" and the URL is "eam.verisae.com/DataNett/mobile/mlogin.html". The login form includes the following elements:

- Logo: VX OBSERVE | VX MAINTAIN VX SUSTAIN
- User Name input field
- Password input field
- Location Check-In: Disabled (toggle)
- Sign In button
- Forgot Password link
- AMERICAS | UK/EUROPE/ASIA
- Or Sign In With
- Single Sign-On icon and link

At the bottom of the page, there is a footer with the following information:
